

Trinity Historical Society's

16th Annual Golf Tournament

The View Golf Course, Summerville

Trinity Historical Society was founded on February 7th, 1964 first as the Trinity Historic Sites Committee and later evolving to become the Trinity Historical Society. The Society's mandate is to preserve, present and promote the history of Trinity and the surrounding communities through the work that it completes such as the preservation and restoration of buildings; the display of artifacts to interpret the area's history; living history demonstrations in traditional trades of coopering and blacksmithing and many other activities, exhibits and educational programming. All of the proceeds from the event will be used by the Society for the day-to-day operation of our organization but more specifically will be used towards the continuation of the educational programming at our historic sites. Please join us for a friendly round of golf to help us preserve our past for our future.
